Your local amenities

A beautiful location that blends the truly idyllic with the demands of modern living.

Kingshill Gate is located snugly between the peaceful hamlet of Great Kingshill and the vibrant centre of High Wycombe. The stylish development consists of 4 and 5 bedroom homes, aimed at discerning buyers looking for the best of both worlds - the countryside ideal and the 21st century modern town.

For your practical needs, the hamlet of Great Kingshill provides you with a Spar convenience store, located a couple of miles from the development, and a couple of shops for those everyday essentials. A traditional British pub, the Red Lion, holds a warm welcome for visitors and locals, and sits snugly beside the local common, which is also close to Kingshill Gate.

High Wycombe is just 1.5 miles away and offers wider choices, including retail, sport, leisure and entertainment. Renowned for the part it played in the UK's paper and furniture industries, its history dates back as far as 970. Today it boasts all the leading high street names, along with a broad selection of restaurants, cafes, pubs and shops. Nearby Cressex and Wycombe Marsh offer further out of town retail options.

Whether for business or pleasure purposes, the need to travel is well catered to. High Wycombe's railway station offers regular and direct services to London Marylebone in as little as 37 minutes*. The M40 motorway passes to the south of the town and can be joined at junction 4, around 3.5 miles from Kingshill Gate, giving easy access to the M25 and Heathrow Airport, which is around 21 miles away.
