A new dream home for a new way of life

If you're looking for a beautiful, energy saving new family home that also offers attractive open spaces, fun new play areas and quality schools for the kids, convenient new shops for you, and community and modern health centres for the family, then Great Western Park is more than a superb new development - it's a new way of life.

The ultimate collection

The 3,300 new homes planned for Great Western Park have been carefully designed and incorporate a number of innovations, including wider front doors and hallways, more spacious family kitchens, better equipped bathrooms and more windows to provide improved natural light. Now you can have everything you've ever wanted from a home – and more.

Get MORE for your money, your family, your future

East Wichel is the smallest of three villages and the first part of Wichelstowe. Set between the shops of old town and the village of Wroughton, the new school has already achieved a 'good' ofstead rating, a new pub and restaurant will be opening soon and new shops are coming to the centre. The energy saving homes have been designed so that no more than two houses in a row look the same. And boasting more green space than Swindon, Wichelstowe has a bright future.

With a range of stunning detached homes ready to move into, we can help create a stress-free move. With Part Exchange*, we become your cash buyer, so there's no risk of losing the home you want. With Easymover*, we can help sell your current home, saving you time, money and worry!

Sales information centre open daily 10am - 5pm (Monday 1pm - 5pm)
