Pat Brien's journalistic work has appeared in national magazines in the UK, where he was born, as well as being elected on merit to full membership with the Society of Authors (UK).

In Paris, France, he became senior correspondent for Francophile magazine Bonjour Paris, read by a popular audience. A co-written Bonjour Paris article was published in the 3rd edition of popular guide-book Paris For Dummies.

A BBC radio monologue was translated into the Serbian language, receiving radio broadcasts in the UK. He has also written a historical horror novel called Denied.

In the US, a screenplay reached the semi-finals of Francis Ford Coppola's first American Zoetrope Screenplay Competition. His work was published in R.P. Burnham's annual journal The Long Story.

He has extensive experience as a copywriter in advertising and marketing, working for companies like Ladders. He is also an expert in specific areas of American and British popular culture, particularly pop music. He has written many articles for Ladders. He lives in New York City.
