Your Daily Savings

Many of us grew up being told, “*Tall oaks from little acorns grow.*”

Only later did we learn how quickly daily savings build—and how savvy that advice was.

So let’s delve into some daily savings for our members.

About Us

Over Fifty Years of Service

Founded in 1971, the Financial Services Association (FSA) innovates direct-to-consumer services to enhance our members' financial well-being through **fraud prevention, savings programs, insurance protection and educational tools.**

[Learn More]

The FSA is a pioneer that introduced customer appreciation programs offering diverse bank and credit-union sponsored benefits. An industry leader for more than forty years, we have served over 3,500 financial institutions and 25,000,000 of their accountholders to **increase everyday savings and financial security for consumers, enhance customer loyalty and engagement for sponsoring institutions and grow market share and recognition for our service providers.**

Charitable Contributions:

Please stay tuned for information about upcoming events.

In the meantime, enjoy our shared memories of previous events, fundraisers, and more.

In past years, our partners and ourselves have enjoyed fundraising (with a capital FUN), organizing, participating, winning, losing, laughing, and supporting many causes.

Gift Drive for Toys for Tots

Our partners participated in a “Gift Drive for Toys for Tots” where Associates donated by either (1.) purchasing gifts from a wish list or (2.) bringing unwrapped gifts to drop off at their respective office locations. *Lots of toys were dropped and the tots were happy!*
